

NAME TENT DESIGN

NELSON'S DIRECTIONS:

1. Design your first name with your favorite lettering style, your signature style or from a personal source of inspiration (a story, a sport, a song, a video game, favorite movie, etc.)
2. Enlarge your **NAME** to fill the space (no thumbnail sketches)
3. Include a background design that displays your uniqueness (pattern, environment, drawing, character, etc.)
4. Cover at least 75% of the paper with your name and designs.
5. On the inside write

Your first and last name

Your grade and hour

Your theme

Name tent should be neatly constructed using color pencils, markers or a combination of both.
